

Welcome to the Plumbers Union

"FREE Training to all financial members"

Congratulations on joining one of the fastest growing and most progressive trade unions in Australia.

We have a proud history and a strong future and have always lead the way in conditions for our members.

Our record of protecting workers' rights and entitlements since 1850 is second to none. We have been Federally registered since 1912.

An important part of this proud Union is the continued protection of our trade licencing/registration systems, that have been under attack since inception.

As a trade Union we have been at the forefront of training and trade development within the trade and can provide FREE training to all our members.

Most importantly, our Union has won the rights to vastly improved wages and conditions for our members, through enterprise bargaining agreements, awards and site agreements.

We put our members needs first.

Direct Debit Request (DDR)

Plumbers Union Members are moving to

Direct Debit

Why Direct Debit?

No worries No Hassles.

No wonder so many PPTEU members are choosing to pay their membership dues by direct debit from their bank, credit union or building society.

After the initial 6 months fee is paid, payments are made fortnightly, giving you the following advantages.

- You don't need to find a lump sum payment twice a year.
- You need never fear that, by paying late or forgetting to pay altogether, you may lose your financial status and access to all the services that are available only to financial members.

How it works when you sign up

A new member pays the initial 6 months fees in advance

We simply deduct a fee each fortnight from your bank ensuring you never get behind on your fees again.

Just fill out the form to the right and send it to the PPTEU.
